

Exploring Pilgrimage

Perhaps you dream of walking the Camino de Santiago in Spain or visiting Elvis Presley's home Graceland.

June 22, 2019

2:00-3:30pm

Church of St. John
in the Wilderness

261 NY-344

Copake Falls, NY

Hear personal experiences of pilgrimages and how to find meaning in your journeys. We will discuss transitions that might also include job changes, empty nesting, illness and aging. We believe that pilgrimages are inward and outward openings of spirit.

A mini-pilgrimage on a guided labyrinth walk follows the speakers, just down the road at Church of Our Lady of Hope
8074 NY-22 Copake Falls, NY
immediately following the conclusion of presentations.
Families are welcome.

This is a FREE event open to the general public!
